MAY'S
MATCHES
18 PRIZE MEDALS for Excellence of Quality.

The "Bryant" is the best match in the world. At a time when match-making is being given
up by the world, a practical suggestion may be of service. Last year, more than 200,000
of the "Bryant" matches were purchased by householders in consequence of the quality
of the goods being of their own making. So true is it that "Bryant" is a word
of thought as well as of heart. If all consumers would purchase Bryant
& May's matches, that firm would be enabled to pay 1000 a week more in wages.
